This is the class for anyone who has ever thought, "I need a class on mixing!" or, "I need a class about color!"

During this three-day workshop, exercises will be given studying the different types of pigments used by Prosopon School, as well as their differences and similarities when mixed and layered. We will also look at various principles of mixing colors, the use of antinomy of color, qualities of Roskrysh, and finding and balancing color harmony in an icon. We will seek to gain a greater understanding of both iconographic and iconological harmony of color in icons.

Timed perfectly the Thursday, Friday and Saturday before the 6-day 2026 workshops at Iconic, students who attend both workshops will be able to apply what they have learned. Classes run 9:00 am to 5:00 pm. All materials are provided. Cost of this 3-day class is a \$50 deposit due with registration, plus \$100 tuition* due to Dmitri Berestov first day of class, 7/16/26.
